## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Investment Committee of the  
FirstCash 401(k) Profit Sharing Plan

### Opinion on the Financial Statements

We have audited the accompanying statements of net assets available for benefits of the FirstCash 401(k) Profit Sharing Plan (the “Plan”) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

These financial statements are the responsibility of the Plan’s management. Our responsibility is to express an opinion on the Plan’s financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

### Supplemental Information

The supplemental information in the accompanying schedule Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, has been subjected to audit procedures performed in conjunction with the audit of the Plan’s financial statements. The supplemental information is the responsibility of the Plan’s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

/s/ Whitley Penn LLP

We have served as the Plan’s auditor since 2018.

Fort Worth, Texas

**FIRSTCASH 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

**1. DESCRIPTION OF PLAN**

The following brief description of the FirstCash 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for complete information regarding the Plan’s definitions, benefits, eligibility and other matters.

*General*

The Plan is a salary deferral plan covering substantially all U.S.-based employees of FirstCash Holdings, Inc. and its wholly-owned subsidiaries (the “Company” or the “Employer”) who have completed six months of service with the Company and have reached age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The trustee and custodian of the Plan is Fidelity Management Trust Company (the “Trustee”).

*Contributions*

Each year, participants may contribute to the Plan an amount up to 100% of their annual compensation as pre-tax or Roth after-tax contributions. However, each participant’s annual contribution shall not exceed the maximum amount allowed for deferral as set forth by the Internal Revenue Code (the “Code”), which was \$23,500 for 2025 and \$23,000 for 2024. Participants age 50 and older during the Plan year are also permitted to make elective catch-up contributions up to \$7,500 for both 2025 and 2024. Effective January 1, 2025, participants ages 60 to 63 during the Plan year may make catch up contributions up to \$11,250 for 2025. Unless they elect otherwise, employees are automatically enrolled and contribute 5% of their compensation beginning six months after their date of hire.

The Company contributes to the Plan a matching amount equal to 50% of the first 5% of the participant’s annual compensation contributed to the Plan. Participants are eligible to receive Company matching contributions after twelve months of service with the Company, subject to vesting requirements. The amount of a participant’s annual compensation that may be taken into account for purposes of determining the Company’s matching contribution for any purpose under the Plan shall not exceed an amount prescribed annually by the Code. In addition, a special discretionary contribution, as determined by the Company, may be contributed, pro rata, based upon each participating employee’s compensation to the total compensation of all participating employees. No special discretionary contribution was made in 2025 or 2024.

If a participant makes a contribution during any year in an amount which exceeds the maximum amount allowed under the Code pertaining to highly compensated employees, the contribution is refunded and the matching Company contribution on such additional participant contribution may be forfeited by the participant and applied to reduce the Company’s matching contribution to the Plan for the following year.

*Vesting*

Participants are immediately vested in their contributions (including rollovers) plus actual earnings thereon. Vesting in Employer contributions is based on years of continuous service with the Company, which is determined as a twelve consecutive month period ending on each anniversary of a participant’s date of hire. Participants become 25% vested in Employer contributions after two years, and an additional 25% each year thereafter until 100% vested upon five years of credited service. Participants of the American First Finance 401(k) Plan, which merged into the Plan effective December 30, 2022, become 20% vested in Employer contributions after one year, and an additional 20% each year thereafter until 100% vested upon five years of credited service. A participant is also 100% vested in Employer contributions upon reaching retirement age or if employment is terminated by reason of total and permanent disability or death.

**FIRSTCASH 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's matching contributions and special discretionary contributions, if applicable. The various participant allocations are based on a percentage of the participant's elective deferral or compensation in relation to total compensation of participants, as defined in the Plan agreement.

Investment Options

Upon enrollment into the Plan, a participant may direct their contributions to purchase the Company's common stock or any of the investment options offered by the Trustee of the Plan. Participant contributions directed to purchase the Company's common stock are limited to 20% of the participant's total contributions. Participants may change the allocation of their existing funds and future contributions at any time.

Payment of Benefits

Participants whose employment terminates for any reason (except death or disability) are generally entitled to receive the vested portion of their account in the form of a lump sum distribution payable in cash. If a terminated participant's vested balance is \$7,000 or less, and the participant does not consent to a distribution of the vested account balance, the vested benefit is automatically rolled over to an IRA provider. If the participant's vested balance exceeds \$7,000, no distribution is made from the Plan without the participant's consent. Hardship withdrawals and certain in-service withdrawals are permitted if the participant meets the eligibility requirements of the Plan.

Participant Loans

A participant may apply to the plan administrator for a loan under the Plan. All loans to participants are subject to the terms and conditions set forth in the Plan document and trust agreement. Participants may borrow up to one-half of their vested account balance or \$50,000, whichever is less. The loans will bear a reasonable rate of interest based on the prevailing interest rates, and remains constant for the term of the loan. Repayments of the loan balance, plus interest, are paid ratably through bi-weekly after-tax payroll deductions, not to exceed five years, unless the loan was obtained to acquire a primary residence, then over a reasonable period of time as determined by the Trustee, but not to exceed 20 years. A participant may have only one loan outstanding at any one time. Participant loans are collateralized by the funds in their respective participant accounts.

Forfeitures

Participants who terminate employment prior to being fully vested in the Company's matching contributions forfeit the non-vested Employer contributions and related earnings. At December 31, 2025 and 2024, there were approximately \$268,000 and \$751,000, respectively, of forfeited non-vested amounts. Forfeitures of Company matching contributions may be used to reduce future Employer's matching contributions to the Plan. In 2025 and 2024, Company matching contributions were reduced by approximately \$1,364,000 and \$952,000, respectively, from forfeited, non-vested amounts. Forfeitures of special discretionary Company contributions, if applicable, are reallocated among all remaining participants.

Tax Status

Effective November 1, 2023, the Plan adopted a Pre-Approved Defined Contribution Plan, which has a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**FIRSTCASH 401(k) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024**

Accounting principles generally accepted in the United States of America (“GAAP”) requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**2. SUMMARY OF ACCOUNTING POLICIES**

*Basis of Accounting*

The financial statements are prepared on the accrual basis of accounting in accordance with GAAP.

*Valuation of Investments*

The Plan’s investments are stated at fair value. Shares of mutual funds and the money market fund are valued at quoted market prices which represent the net asset value of shares (“NAV”) held by the Plan at year-end. Equity securities are valued at fair value using quoted market prices. Reinvested income, accrued interest and dividends are reflected as additions to the cost basis of the investments. Investment transactions are recorded on a trade-date basis. Interest income is recorded when earned and dividend income is recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation in the fair value of its investments, which consists of realized gains or losses on investments sold during the year and the unrealized appreciation on those investments held at the end of the year.

*Notes Receivable from Participants*

Loans to participants are reported at their principal balances plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

*Payment of Benefits*

Benefits are recorded when paid.

*Use of Estimates*

The preparation of financial statements in conformity with GAAP, as applied to defined contribution employee benefit plans, requires the Plan’s management to make estimates and assumptions that affect the amounts reported in these financial statements and accompanying notes. Actual results could differ from those estimates.

**3. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

**FIRSTCASH 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

**4. RELATED PARTIES AND PARTIES – IN – INTEREST**

FirstCash Holdings, Inc. common stock and notes receivable from participants are considered parties-in-interest to the Plan. The investment in FirstCash Holdings, Inc. common stock was \$28,724,914 and \$20,187,108 at December 31, 2025 and 2024, respectively, and appreciated in value by \$10,848,777 and depreciated by \$915,924 during 2025 and 2024, respectively. The balance of notes receivable from participants was \$11,787,160 and \$10,292,186 at December 31, 2025 and 2024, respectively, and interest income on notes receivable from participants was \$923,528 and \$712,853 during 2025 and 2024, respectively. The investment in FirstCash Holdings, Inc. common stock and notes receivable from participants are exempt from the prohibited transaction rules.

The Trustee of the Plan is a party-in-interest as defined by ERISA. The Trustee invests certain Plan assets in mutual funds and a money market fund managed by the Trustee or its affiliates, and such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

**5. CONCENTRATION OF MARKET RISK**

At December 31, 2025 and 2024, approximately 11% and 9%, respectively, of the Plan's assets were invested in the common stock of the Company. The underlying value of the Company's common stock is dependent upon the performance of the Company, the market's evaluation of such performance and overall market conditions. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the participant's account balances and the amounts reported in the statements of assets available for benefits and the statements of changes in net assets available for benefits. Participant contributions directed to purchase the Company's common stock are limited to 20% of the participant's total contributions.

**FIRSTCASH 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

**6. RECONCILIATION TO FORM 5500**

The reconciling items noted below are due to the difference in the method of accounting used in preparing the Plan's financial statements as compared to the Form 5500. Government reporting rules were used in preparing the Form 5500, whereas the Plan's financial statements have been prepared on the accrual basis of accounting as required by GAAP.

The reconciliation of net assets available for benefits per the Form 5500 to the financial statements is as follows:

	December 31,	
	2025	2024
Net assets available for benefits per Form 5500	\$ 257,283,629	\$ 212,161,080
Certain deemed distributions of participant loans	563,959	338,059
Excess contributions refundable	—	(36,465)
Net assets available for benefits per financial statements	<u>\$ 257,847,588</u>	<u>\$ 212,462,674</u>

The reconciliation of changes in net assets available for benefits per the Form 5500 to the financial statements is as follows:

	Year Ended December 31,	
	2025	2024
Changes in net assets available for benefits per Form 5500	\$ 45,122,549	\$ 21,624,799
Add: distributions from current year amounts deemed distributed	563,959	338,059
Less: distributions from prior year amounts deemed distributed	(338,059)	—
Add: excess contributions at beginning of year	36,465	7,980
Less: excess contributions at end of year	—	(36,465)
Changes in net assets available for benefits before transfers per financial statements	<u>\$ 45,384,914</u>	<u>\$ 21,934,373</u>

**FIRSTCASH 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

**7. FAIR VALUE MEASUREMENTS**

In accordance with GAAP, the Plan's assets and liabilities, which are carried at fair value, are classified in one of the following three categories:

Level 1 – Quoted prices in active markets for identical investments.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs that are not corroborated by market data.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for instruments measured at fair value.

*Money Market and Mutual Funds*

These investments are valued at the NAV of shares held by the Plan at year end based on quoted market prices and are classified within Level 1 of the fair value hierarchy.

*FirstCash Holdings, Inc. Common Stock*

FirstCash Holdings, Inc. common stock is valued at the closing price reported on the Nasdaq Stock Market and is classified within Level 1 of the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no assets or liabilities measured at fair value on a nonrecurring basis as of December 31, 2025 or 2024. Valuation methodologies were unchanged from the prior year, except that the current-year money market fund was reclassified from NAV, used as a practical expedient, to a Level 1 investment.

**FIRSTCASH 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

The following tables present the fair value of investments, measured on a recurring basis, as of December 31, 2025 and 2024, respectively, by the fair value hierarchy described above. The Plan had no investments classified as Level 2 or 3 at December 31, 2025 or 2024.

	Total Investments	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
<u>Balance at December 31, 2025</u>				
Investments at fair value:				
Money market fund	\$ 1,693,313	\$ 1,693,313	\$ —	\$ —
Mutual funds	215,642,201	215,642,201	—	—
FirstCash Holdings, Inc. common stock	28,724,914	28,724,914	—	—
Total	<u>246,060,428</u>			
Total Plan investments	<u>\$ 246,060,428</u>			
<u>Balance at December 31, 2024</u>				
Investments at fair value:				
Mutual funds	\$ 179,885,326	\$ 179,885,326	\$ —	\$ —
FirstCash Holdings, Inc. common stock	20,187,108	20,187,108	—	—
Total	<u>200,072,434</u>			
Investments measured at NAV <sup>(1)</sup> :				
Money market fund	<u>2,134,519</u>			
Total Plan investments	<u>\$ 202,206,953</u>			

<sup>(1)</sup> In accordance with GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation to the amounts in the statement of net assets available for benefits.
