Item 7.01. Regulation FD Disclosure

On June 23, 2026, FirstCash Holdings, Inc. (the “Company”) issued a press release announcing the proposed acquisition of Ramsdens Holdings PLC, a company incorporated in England and Wales whose shares are listed on the London Stock Exchange (“Ramsdens”), by Chess Bidco Limited (“Bidco”), an indirect wholly-owned subsidiary of the Company. A copy of the press release is furnished herewith as Exhibit 99.1 and is incorporated into this Item 7.01 by reference.

The information provided in this Item 7.01 (including Exhibit 99.1) shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “US Exchange Act”), nor shall it be incorporated by reference in any filing made by the Company pursuant to the Securities Act of 1933, as amended, other than to the extent that such filing incorporates by reference any or all of such information by express reference thereto.

Item 8.01. Other Information

On June 23, 2026, Bidco released an announcement (the “Rule 2.7 Announcement”) pursuant to Rule 2.7 of the United Kingdom City Code on Takeovers and Mergers (the “Code”) disclosing that the board of directors of Bidco (the “Bidco Board”) and the board of directors of Ramsdens (the “Ramsdens Board”) had reached agreement on the terms of a final* recommended cash offer by Bidco for the entire issued and to be issued share capital of Ramsdens (the “Acquisition”).

Rule 2.7 Announcement

On June 23, 2026, Bidco released the Rule 2.7 Announcement, disclosing that the Bidco Board and the Ramsdens Board had reached agreement on the terms of the Acquisition. It is intended that, the Acquisition will be implemented by means of a court-sanctioned scheme of arrangement (the “Scheme”) under Part 26 of the United Kingdom Companies Act 2006, as amended (the “UK Companies Act”). Under the terms of the Acquisition, Ramsdens shareholders will be entitled to receive 609 pence in cash for each Ramsdens share held, comprising (i) 600 pence in cash from Bidco and (ii) permitted dividends of 9 pence per share due to be paid on October 9, 2026.

The Acquisition will be subject to customary closing conditions and certain further terms, including, among others: (i) the approval of the Scheme by a majority in number of Ramsdens shareholders also representing not less than 75% in value of the Ramsdens shares, in each case present and voting, either in person or by proxy, at the Ramsdens shareholders’ meeting; (ii) the sanction of the Scheme by the High Court of Justice in England and Wales; (iii) the receipt of regulatory approvals, including from the Financial Conduct Authority of the United Kingdom and the United Kingdom’s Competition and Markets Authority; and (iv) the Scheme becoming effective before 11:59 p.m. (London time) on December 31, 2026. The conditions to the Acquisition are set out in full in the Rule 2.7 Announcement. Subject to the satisfaction or waiver of all relevant conditions, it is expected that the Acquisition will be completed in the second half of 2026.

Bidco has reserved the right, subject to the prior consent of the UK Panel on Takeovers and Mergers (and to the terms of the Co-operation Agreement, as defined below), to elect to implement the Acquisition by way of a takeover offer (as such term is defined in the UK Companies Act) (a “Takeover Offer”).

The foregoing summary of the Rule 2.7 Announcement is subject to, and qualified in its entirety by, the text of the Rule 2.7 Announcement, which is filed as Exhibit 2.1 hereto and incorporated herein by reference.

* The financial terms of the acquisition are final and will not be increased or improved, except that Bidco reserves the right to increase the amount of the cash consideration payable by it (i) if there is an announcement on or after the date of the Rule 2.7 Announcement of a possible offer or a firm intention to make an offer for Ramsdens by a third party or (ii) with the consent of the UK’s Panel on Takeovers and Mergers (which will be granted only in wholly exceptional circumstances).

Bridge Credit Agreement

The Company currently envisages drawing down funds under its existing U.S. revolving unsecured credit facility (as the same may be amended, restated, varied or replaced from time to time) prior to the effective date of the Acquisition to permit Bidco to finance the Acquisition and to pay related fees and expenses, including potential repayment of Ramsdens outstanding indebtedness. However, in order to provide a backstop for the financing of the Acquisition and to satisfy the “certain funds” requirements under the Code, Bidco, the Company and FirstCash, Inc. entered into a Bridge Term Loan Credit Agreement, dated as of June 23, 2026 (as amended, restated, supplemented or modified from time to time, the “Bridge Credit Agreement”), with Jefferies Finance LLC (as administrative agent), the other guarantors party thereto and the lenders party thereto, pursuant to which the lenders agreed to provide Bidco certain borrowings in an aggregate amount of up to £218 million on the terms and conditions set forth in the Bridge Credit Agreement.

Further Information; No Offer or Solicitation

This Form 8-K is for information purposes and is not intended to and does not constitute, or form part of, an offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, or the solicitation of any vote or approval in any jurisdiction, pursuant to the Acquisition or otherwise, nor shall there be any sale, issuance or transfer of securities of Ramsdens in any jurisdiction in contravention of applicable law. The Acquisition will be made solely by means of the Scheme document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document), which will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Scheme. Any vote in respect of the Scheme or other response in relation to the Acquisition should be made only on the basis of the information contained in the Scheme document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document). Ramsdens shareholders are urged to read the Scheme document when it becomes available, because it will contain important information relating to the Acquisition.

Additional Information

The Acquisition to acquire the shares of an English company is expected to be made by means of a scheme of arrangement provided for under English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this announcement and the Scheme documentation has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, such offer will be made in compliance with applicable US laws and regulations.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Ramsdens shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each Ramsdens shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (to the extent applicable), Bidco, its nominees or its brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Ramsdens shares outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside of the US and would be in accordance with applicable law, including the US Exchange Act and the Code. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Forward-Looking Statements

This Form 8-K and the exhibits hereto contains forward-looking statements regarding, among other things, the Acquisition, the anticipated benefits and timing of the Acquisition, the anticipated financing of the Acquisition and the business, financial condition, outlook and prospects of the Company and Ramsdens. Forward-looking statements, as that term is defined in the Private Securities Litigation Reform Act of 1995, can be identified by the use of forward-looking terminology such as “outlook,” “believes,” “projects,” “expects,” “may,” “estimates,” “should,” “plans,” “targets,” “intends,” “could,” “would,” “anticipates,” “potential,” “confident,” “optimistic,” or the negative thereof, or other variations thereon, or comparable terminology, or by discussions of strategy, objectives, estimates, guidance, expectations, outlook and future plans. Forward-looking statements can also be identified by the fact these statements do not relate strictly to historical or current matters. Rather, forward-looking statements relate to anticipated or expected events, activities, trends or results. Because forward-looking statements relate to matters that have not yet occurred, these statements are inherently subject to risks and uncertainties.

While the Company believes the expectations reflected in forward-looking statements are reasonable, there can be no assurances such expectations will prove to be accurate. Security holders are cautioned that such forward-looking statements involve risks and uncertainties. Certain factors may cause results to differ materially from those anticipated by the forward-looking statements made in this release. With respect to the Acquisition, these factors, risks and uncertainties include, without limitation, the risk that the Acquisition may not be consummated, including as a result of a failure by Company or Ramsdens to obtain the necessary shareholder (in the case of Ramsdens) or regulatory approvals required for the Acquisition, or that required regulatory approvals may delay the Acquisition or result in the imposition of conditions that could reduce the anticipated benefits from the Acquisition, or the occurrence of any event, change or other circumstances that could give rise to the termination of the Acquisition; the length of time necessary to consummate the Acquisition, which may be longer than anticipated for various reasons; the risk that Ramsdens will not be combined and integrated successfully; the risk that the cost savings, synergies and other benefits from the Acquisition may not be fully realized or may take longer to realize than expected; the diversion of management time on acquisition-related issues; the risk that costs associated with the integration of Ramsdens is higher than anticipated; increased exposure to local economic and political conditions, exchange rate fluctuations and the extensive regulatory regime in the UK; risks related to the ability to hire and retain key Ramsdens personnel; and the effects of tax assessments or tax positions taken, risks related to goodwill and other intangible asset impairment, tax adjustments, anticipated tax rates, or other regulatory compliance costs; and risks related to the ability of the Company to utilize borrowings under its existing revolving credit facility to fund the Acquisition and to not rely on the Bridge Credit Agreement to finance the Acquisition.

Additional risks and uncertainties with respect to the Company are discussed and described in the Company’s most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission (the “SEC”), including the risks described in Part 1, Item 1A, “Risk Factors” thereof, and other reports the Company files with the SEC. Many of these risks and uncertainties are beyond the ability of the Company to control, nor can the Company predict, in many cases, all of the risks and uncertainties that could cause its actual results to differ materially from those indicated by the forward-looking statements. The forward-looking statements contained in this release speak only as of the date of this release, and the Company expressly disclaims any obligation or undertaking to report any updates or revisions to any such statement to reflect any change in the Company’s expectations or any change in events, conditions or circumstances on which any such statement is based, except as required by law.

RECOMMENDED CASH ACQUISITION

of

RAMSDENS HOLDINGS PLC

by

CHESS BIDCO LIMITED

(an indirect wholly-owned subsidiary of FirstCash Holdings, Inc.)

**to be implemented by means of a scheme of arrangement under
Part 26 of the Companies Act 2006**

Summary

- The boards of directors of Chess Bidco Limited ("**Bidco**") and Ramsdens Holdings PLC ("**Ramsdens**") are pleased to announce that they have reached an agreement on the terms of a recommended cash acquisition, pursuant to which Bidco, an indirect wholly-owned subsidiary of FirstCash Holdings, Inc. ("**FirstCash**"), will acquire the entire issued and to be issued share capital of Ramsdens.
- Under the terms of the Acquisition, each Ramsdens Shareholder will be entitled to receive a total value of up to 609 pence in cash (the "**Offer Value**") comprising:
 - 600 pence per Ramsdens Share in cash from Bidco (the "**Cash Consideration**"); and
 - permitted dividends of up to 9 pence per Ramsdens Share as a consequence of the declaration of the interim dividend of 6 pence per Ramsdens Share and the special dividend of 3 pence per Ramsdens Share (together the "**Permitted Dividends**") on 3 June 2026, expected to be paid on 9 October 2026.
- If the Acquisition becomes Effective before some or all of the Permitted Dividends are paid, the Cash Consideration shall be increased by the same amount of the Permitted Dividends that has not been paid.
- Ramsdens Shareholders will be entitled to receive Cash Consideration of, in aggregate, approximately £203 million. The Cash Consideration represents a premium of approximately:
 - 33% to the closing price of 453 pence per Ramsdens Share as at the close of business on the Latest Practicable Date (being the last Business Day prior to the start of the offer period);
 - 46% to the volume-weighted average closing price of 412 pence per Ramsdens Share for the 3-month period ended at the close of business on the Latest Practicable Date;

- 58% to the volume-weighted average closing price of 379 pence per Ramsdens Share for the 12-month period ended at the close of business on the Latest Practicable Date; and
 - 22% to the closing price of 493 pence per Ramsdens Share on 3 June 2026, being Ramsdens' all-time high closing share price.
- Including the Permitted Dividends payment of up to 9 pence, Ramsdens Shareholders will be entitled to receive, in aggregate, up to approximately £206 million on a fully diluted basis, which represents a premium of approximately:
- 35% to the closing price of 453 pence per Ramsdens Share as at the close of business on the Latest Practicable Date (being the last Business Day prior to the start of the offer period);
 - 48% to the volume-weighted average closing price of 412 pence per Ramsdens Share for the 3-month period ended at the close of business on the Latest Practicable Date;
 - 61% to the volume-weighted average closing price of 379 pence per Ramsdens Share for the 12-month period ended at the close of business on the Latest Practicable Date; and
 - 24% to the closing price of 493 pence per Ramsdens Share on 3 June 2026, being Ramsdens' all-time high closing share price.
- The terms of the Acquisition value the entire issued and to be issued share capital of Ramsdens at up to approximately £206 million on a fully diluted basis and imply an enterprise value of Ramsdens on a pre-IFRS 16 basis of up to approximately £203 million.
- If, on or after the date of this announcement and prior to the Effective Date, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable in respect of Ramsdens Shares (other than the Permitted Dividends), or if the Permitted Dividends exceed, in aggregate, 9 pence per Ramsdens Share, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition by an amount per Ramsdens Share up to the amount of such dividend and/or distribution and/or return of capital or value. In such circumstances, Ramsdens Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made or paid.
- It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act.

Background to and reasons for the Acquisition

- FirstCash has a long history as a leading international pawnbroking operator with over 3,300 locations in the US, Latin America and the UK. Its stock trades on the US Nasdaq market with a market cap in excess of \$10 billion USD.
- FirstCash has an established track record of successfully acquiring, integrating and scaling pawnbroking businesses across international markets. FirstCash continues to expand its operations in the US and Latin America, and most recently, entered the UK market through its acquisition of H&T in 2025.
- Ramsdens represents a compelling opportunity for FirstCash to further grow its business in the UK market through the acquisition of a highly complementary business and will further cement FirstCash's position as the largest publicly traded pawn platform in the US, Latin America and the UK.

Recommendation

- The Ramsdens Directors believe that the Offer Value represents an opportunity for Ramsdens Shareholders to realise an immediate cash return at a significant premium to the recent trading price for their Ramsdens Shares.
- The Ramsdens Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its financial advice to the Ramsdens Directors, Cavendish has taken into account the commercial assessments of the Ramsdens Directors. Cavendish is providing independent financial advice to the Ramsdens Directors for the purposes of Rule 3 of the Code.
- Accordingly, the Ramsdens Directors intend to recommend unanimously that Ramsdens Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer), as those Ramsdens Directors who are interested in Ramsdens Shares have irrevocably undertaken to do in respect of their and (where relevant) their close relatives' aggregate beneficial holdings of 1,335,860 Ramsdens Shares (representing approximately 4.13% of Ramsdens' issued share capital as at the close of business on the Latest Practicable Date).

Background to and reasons for the recommendation

- Ramsdens is a UK-based diversified retailer and financial services provider, offering jewellery retail, precious metals buying, foreign currency exchange and pawnbroking services. The business today operates both through a nationwide network of 174 stores across England, Scotland and Wales as well as a growing online offering. The Ramsdens Group serves a wide range of customers, including those with limited access to traditional banking services.
- The Ramsdens Board continues to recognise the inherent strength of the business as an independent entity, underpinned by its established operating model and consistent financial performance over time.
- The Ramsdens Board recognises that the future performance of Ramsdens remains subject to a range of external factors and risks. In particular, Ramsdens' recent earnings profile is closely correlated with movements in the gold price. The recent strength in the gold market, culminating in an intraday peak in excess of \$5,500 per ounce on 28 January 2026, has been a supportive factor and an important part of the positive trading momentum delivered by Ramsdens over the last 12 months. However, any reversal in this trend could adversely affect trading outcomes.
- In addition, the broader UK macroeconomic outlook remains uncertain. Elements of the business may be susceptible to further economic pressure. Taken together, these considerations introduce a degree of risk to the deliverability of Ramsdens' medium-term aspirations. The Ramsdens Board therefore believes that the Acquisition provides a means of reducing risk and accelerating certain value realisation for Ramsdens Shareholders.
- The Ramsdens Board considers that the terms of the Acquisition provide Ramsdens Shareholders with an opportunity to crystallise value immediately in cash, at a level representing a premium to the recent trading price of a Ramsdens Share and exceeding the highest closing price at which Ramsdens Shares have historically traded on AIM (493 pence).
- Having reviewed the terms of the Acquisition in full, the Ramsdens Board is satisfied that the Offer Value appropriately reflects both the current position of the business and its medium-term future potential value on AIM, while providing Ramsdens Shareholders with a clear and certain route to monetisation at an attractive valuation.

Timetable and conditions

- The Scheme and Acquisition will be subject to the terms and conditions set out in this announcement and to be set out in full in the Scheme Document, including amongst other things the satisfaction or (where applicable) waiver of the Conditions set out in Appendix A to this announcement. These include, in particular:
 - the approval of the Scheme by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, representing not less than 75% of the Scheme Shares validly voted by such Scheme Shareholders at the Court Meeting;
 - the approval of the Resolutions by the requisite majority of Ramsdens Shareholders at the General Meeting;
 - the satisfaction of the FCA Change in Control Condition;
 - the satisfaction of the CMA Condition; and
 - the sanction of the Scheme by the Court.
- It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be sent to Ramsdens Shareholders and (for information only) participants in the Ramsdens Share Schemes within 28 days of this announcement (or such later time as Ramsdens, Bidco and the Panel agree).
- The Acquisition is expected to become Effective in the second half of 2026, subject to the satisfaction or (where applicable) waiver of all relevant conditions, including the Conditions. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.
- Commenting on the Acquisition, Mr. Rick Wessel (Chief Executive Officer and Vice-Chairman of the Board of FirstCash) said:

"We are excited to add Ramsdens, as part of the global FirstCash family. This transaction demonstrates our continued execution of FirstCash's long-term growth strategy for expanding operations in each of our key markets. We have great confidence in Ramsdens' continued success given their proven track record. FirstCash looks forward to working together to drive long-term value for all of our customers, employees, and shareholders."

- Commenting on the Acquisition, Peter Kenyon (CEO of Ramsdens) said:

"I am exceptionally proud of the Group's transformational growth since our Initial Public Offering on AIM in February 2017. Less than a decade on, we have added 50 Ramsdens stores to the UK high street, created over 300 jobs and significantly grown our profit before tax. I remain highly confident that there are significant opportunities for further growth over the coming years."

"FirstCash is an internationally established sector leader, and I share their confidence and conviction in the outlook for Ramsdens, which is underpinned by our diversified model and established reputation for consistently doing the right thing for our customers and our fantastic people."

Simon Herrick (Non-Executive Chair of Ramsdens) added:

"Ramsdens has delivered a consistently strong performance reflecting the quality of its diversified operating model, management team, and people. This has resulted in consistent profit upgrades over the past 12 months supported by a sustained high gold price and continuous progress across all business segments, which reflects the rigorous application of the Group's strategy over the past 10 years."

“Unfortunately, the share price has not fully kept pace with the Group’s positive profit and earnings per share growth and FirstCash has made a cash offer for the Group which represents a 35% premium to the current share price. The Board, following independent advice from Cavendish as to the financial terms of the Acquisition, considers the Acquisition to be recommendable to our shareholders.”

To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared for the purposes of complying with English law, the AIM Rules and the Code and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside of England.

Copies of this announcement and formal documentation relating to the Acquisition will not be, and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any jurisdiction where to do so would violate the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from within any Restricted Jurisdiction.

The availability of the Acquisition to Ramsdens Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements.

Further details in relation to Overseas Shareholders will be contained in the Scheme Document.

The Acquisition shall be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules.

Additional information for US investors

The Acquisition is being made to acquire the shares of an English company by means of a scheme of arrangement provided for under English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this announcement and the Scheme documentation has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, such offer will be made in compliance with applicable US laws and regulations.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Ramsdens Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each Ramsdens Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (to the extent applicable), Bidco, its nominees or its brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Ramsdens Shares outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside of the US and would be in accordance with applicable law, including the US Exchange Act and the Code. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

RECOMMENDED CASH ACQUISITION

of

RAMSDENS HOLDINGS PLC

by

CHESS BIDCO LIMITED

(an indirect wholly-owned subsidiary of FirstCash Holdings, Inc.)

**to be implemented by means of a scheme of arrangement under
Part 26 of the Companies Act 2006**

1 Introduction

The boards of directors of Chess Bidco Limited ("**Bidco**") and Ramsdens Holdings PLC ("**Ramsdens**") are pleased to announce that they have reached an agreement on the terms of a recommended cash acquisition, pursuant to which Bidco, an indirect wholly-owned subsidiary of FirstCash Holdings, Inc. ("**FirstCash**"), will acquire the entire issued and to be issued share capital of Ramsdens.

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act, although Bidco reserves the right to elect, with the consent of the Panel and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme.

2 The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix A to this announcement and to the full terms and conditions which will be set out in the Scheme Document, each Ramsdens Shareholder at the Scheme Record Time will be entitled to receive up to a total value of up to 609 pence in cash (the "**Offer Value**") comprising:

- 600 pence per Ramsdens Share in cash from Bidco (the "**Cash Consideration**"); and
- permitted dividends of up to 9 pence per Ramsdens Share as a consequence of the declaration of the interim dividend of 6 pence per Ramsdens Share and the special dividend of 3 pence per Ramsdens Share (together the "**Permitted Dividends**") on 3 June 2026, expected to be paid on 9 October 2026.

If the Acquisition becomes Effective before some or all of the Permitted Dividends are paid, the Cash Consideration shall be increased by the same amount of the Permitted Dividends that has not been paid. Any Permitted Dividend not paid prior to the Effective Date will be cancelled.

Ramsdens Shareholders will be entitled to receive Cash Consideration of, in aggregate, approximately £203 million. The Cash Consideration represents a premium of approximately:

- 33% to the closing price of 453 pence per Ramsdens Share as at the close of business on the Latest Practicable Date (being the last Business Day prior to the start of the offer period);
- 46% to the volume-weighted average closing price of 412 pence per Ramsdens Share for the 3-month period ended at the close of business on the Latest Practicable Date;
- 58% to the volume-weighted average closing price of 379 pence per Ramsdens Share for the 12-month period ended at the close of business on the Latest Practicable Date; and
- 22% to the closing price of 493 pence per Ramsdens Share on 3 June 2026, being Ramsdens' all-time high closing share price.

Including the Permitted Dividends payment of up to 9 pence, Ramsdens Shareholders will be entitled to receive, in aggregate, up to approximately £206 million on a fully diluted basis, which represents a premium of approximately:

- 35% to the closing price of 453 pence per Ramsdens Share as at the close of business on the Latest Practicable Date (being the last Business Day prior to the start of the offer period);
- 48% to the volume-weighted average closing price of 412 pence per Ramsdens Share for the 3-month period ended at the close of business on the Latest Practicable Date;
- 61% to the volume-weighted average closing price of 379 pence per Ramsdens Share for the 12-month period ended at the close of business on the Latest Practicable Date; and
- 24% to the closing price of 493 pence per Ramsdens Share on 3 June 2026, being Ramsdens' all-time high closing share price.

The terms of the Acquisition value the entire issued and to be issued share capital of Ramsdens at up to approximately £206 million on a fully diluted basis and imply an enterprise value of Ramsdens on a pre-IFRS 16 basis of up to approximately £203 million.

If, on or after the date of this announcement and prior to the Effective Date, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable in respect of Ramsdens Shares (other than the Permitted Dividends), or if the Permitted Dividends exceed, in aggregate, 9 pence per Ramsdens Share Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition by an amount per Ramsdens Share up to the amount of such dividend and/or distribution and/or return of capital or value. In such circumstances, Ramsdens Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made or paid.

3 Background to and reasons for the Acquisition

Background

FirstCash has a long history as a leading international pawnbroking operator with over 3,300 locations in the US, Latin America and the UK. Its stock trades on the US Nasdaq market with a market cap in excess of \$10 billion USD.

FirstCash has an established track record of successfully acquiring, integrating and scaling pawnbroking businesses across international markets. FirstCash continues to expand its operations in the US and Latin America, and most recently, entered the UK market through its acquisition of H&T in 2025.

Ramsdens represents a compelling opportunity for FirstCash to further grow its business in the UK market through the acquisition of a highly complementary business and will further cement FirstCash's position as the largest publicly traded pawn platform in the US, Latin America and the UK.

Reasons for the acquisition

The FirstCash Directors believe that the Acquisition will deliver a number of strategic and financial benefits including:

Highly complementary geographic footprint: There is limited overlap between the existing store networks of FirstCash and Ramsdens, with FirstCash's UK operations having greater representation in Southern England, while Ramsdens has a stronger presence across Northern England and Scotland, enhancing nationwide coverage and customer reach;

Accelerates FirstCash's UK growth strategy: The Acquisition meaningfully expands FirstCash's presence in the UK and reinforces its long-term commitment to the region following its acquisition of H&T in 2025;

Enhances precious metals purchasing, jewellery retail and foreign exchange capabilities: Ramsdens' established precious metals buying, jewellery retail and foreign exchange operations complement FirstCash's existing UK platform and provide opportunities to optimise inventory sourcing, retail operations and customer engagement across a broader combined network;

Opportunity to leverage FirstCash's proven operating model and global scale: FirstCash expects to leverage its extensive operational expertise, centralised analytics, inventory management capabilities and experience integrating pawn operations across multiple geographies to support the continued growth and operational performance of Ramsdens;

Unlocks further growth and revenue synergies for Ramsdens: The Ramsdens platform is expected to benefit from the additional growth capital provided by FirstCash to support increased pawn lending activities in the existing stores and further potential expansion of the brand;

Significant cost synergies and operational efficiencies: The combination is expected to generate meaningful cost savings through the consolidation of certain head office and administrative functions, procurement efficiencies, optimisation of operating platforms and systems, and potential financing efficiencies through access to FirstCash's broader balance sheet and funding capabilities;

Enhances scale and operating leverage: The addition of 174 stores increases FirstCash's scale, operational footprint and ability to leverage efficiencies in the UK and across its global platform more broadly; and

Financially compelling: The Acquisition is expected to be meaningfully accretive to both EBITDA and earnings per share, strengthening FirstCash's financial profile and long-term shareholder value.

4 Recommendation

The Ramsdens Directors believe that the Offer Value represents an opportunity for Ramsdens Shareholders to realise an immediate cash return at a significant premium to the recent trading price for their Ramsdens Shares.

The Ramsdens Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its financial advice to the Ramsdens Directors, Cavendish has taken into account the commercial assessments of the Ramsdens Directors. Cavendish is providing independent financial advice to the Ramsdens Directors for the purposes of Rule 3 of the Code.

Accordingly, the Ramsdens Directors intend to recommend unanimously that Ramsdens Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer), as those Ramsdens Directors who are interested in Ramsdens Shares have irrevocably undertaken to do in respect of their and (where relevant) their close relatives' aggregate beneficial holdings of 1,335,860 Ramsdens Shares (representing approximately 4.13% of Ramsdens' issued share capital as at the close of business on the Latest Practicable Date).

5 Background to and reasons for the recommendation

Background

Ramsdens is a UK-based diversified retailer and financial services provider, offering jewellery retail, precious metals buying, foreign currency exchange and pawnbroking services. The business today operates both through a nationwide network of 174 stores across England, Scotland and Wales as well as a growing online offering. The Ramsdens Group serves a wide range of customers, including those with limited access to traditional banking services.

Ramsdens' strategy, supported by disciplined capital allocation and a strong balance sheet, has been focused on increasing its retail store base alongside growing its online presence in order to provide accessible financial services and a complementary retail offering.

On 15 February 2017, Ramsdens became a quoted business following the admission of its ordinary shares to trading on AIM. The IPO was executed in order to enable a partial exit for certain shareholders, raise the profile of the Ramsdens Group ahead of the next stage of its development as well as to help attract and retain employees through appropriate incentivisation arrangements.

Since the IPO, Ramsdens has successfully pursued its growth strategy, expanding its product offering and its store estate. This has enabled the Ramsdens Group to consistently deliver year-on-year revenue and earnings growth notwithstanding the impact of COVID-19.

In April 2026, the Ramsdens Board received an unsolicited, non-binding proposal from FirstCash, which was rejected as it fundamentally undervalued the business. Following two further proposals, which were both also rejected on similar grounds, a fourth proposal was received that the Ramsdens Directors believed provided an opportunity for Ramsdens Shareholders to realise value in cash having regard to the liquidity in Ramsdens Shares, the valuation of a Ramsdens Share on AIM, Ramsdens' market position, and the macroeconomic backdrop, especially how this backdrop may or may not impact the gold price. Therefore, the Ramsdens Board and its advisers engaged with FirstCash to provide access to certain non-public information and also to the Ramsdens management team.

Reasons for the recommendation

In assessing its strategic position, the Ramsdens Board continues to recognise the inherent strength of the Ramsdens business as an independent entity, underpinned by its established operating model and consistent financial performance over time.

Notwithstanding this, the Ramsdens Board recognises that the future financial performance of Ramsdens remains subject to a range of external factors and risks. In particular, Ramsdens' recent earnings profile is closely correlated with movements in the gold price. The recent strength in the gold market, culminating in an intraday peak in excess of \$5,500 per ounce on 28 January 2026, has been a supportive factor and an important part of the positive trading momentum delivered by Ramsdens over the last 12 months. However, any reversal in this trend could adversely affect trading outcomes.

In addition, the broader UK macroeconomic outlook remains uncertain. Elements of the business may be susceptible to further economic pressure. Taken together, these considerations introduce a degree of risk to the deliverability of Ramsdens' medium-term aspirations. The Ramsdens Board therefore believes that the Acquisition provides a means of reducing risk and accelerating certain value realisation for Ramsdens Shareholders.

The Ramsdens Board considers that the terms of the Acquisition provide Ramsdens Shareholders with an opportunity to crystallise value immediately in cash, at a level representing a premium to the recent trading price of a Ramsdens Share and exceeding the highest closing price at which Ramsdens Shares have historically traded on AIM (being 493 pence).

Ramsdens Shareholders will be entitled to receive Cash Consideration of, in aggregate, approximately £203 million. The Cash Consideration represents a premium of approximately

- 33% to the closing price of 453 pence per Ramsdens Share as at the close of business on the Latest Practicable Date (being the last Business Day prior to the start of the offer period);
- 46% to the volume-weighted average closing price of 412 pence per Ramsdens Share for the 3-month period ended at the close of business on the Latest Practicable Date;
- 58% to the volume-weighted average closing price of 379 pence per Ramsdens Share for the 12-month period ended at the close of business on the Latest Practicable Date; and
- 22% to the closing price of 493 pence per Ramsdens Share on 3 June 2026, being Ramsdens' all-time high closing share price.

Including the Permitted Dividends payment of up to 9 pence, Ramsdens Shareholders will be entitled to receive, in aggregate, up to approximately £206 million on a fully diluted basis, which represents a premium of approximately:

- 35% to the closing price of 453 pence per Ramsdens Share as at the close of business on the Latest Practicable Date (being the last Business Day prior to the start of the offer period);
- 48% to the volume-weighted average closing price of 412 pence per Ramsdens Share for the 3-month period ended at the close of business on the Latest Practicable Date;
- 61% to the volume-weighted average closing price of 379 pence per Ramsdens Share for the 12-month period ended at the close of business on the Latest Practicable Date; and
- 24% to the closing price of 493 pence per Ramsdens Share on 3 June 2026, being Ramsdens' all-time high closing share price.

In addition, the Ramsdens Board has had regard to the very limited liquidity in a Ramsdens Share. In the last six months, the average daily trading volume in Ramsdens Shares represented less than 0.4% of Ramsdens' issued share capital. Therefore, the Acquisition also gives Ramsdens Shareholders the ability to realise all of their investment in Ramsdens, something that may have been challenging to achieve on market given the lack of liquidity in Ramsdens Shares.

Having reviewed the terms of the Acquisition in full, the Ramsdens Board is satisfied that the consideration offered appropriately reflects both the current position of the business and its future potential value on AIM, while providing Ramsdens Shareholders with a clear and certain route to monetisation at an attractive valuation.

The Ramsdens Board has further taken into account FirstCash's and Bidco's intentions with respect to Ramsdens' operations, employees and wider stakeholder base, including customers and regulators, as described in paragraph 9 below.

On the basis of these factors, taken together, the Ramsdens Board has concluded that the Acquisition is in the best interests of Ramsdens Shareholders as a whole and therefore intends to recommend that Ramsdens Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer).

6 Irrevocable undertakings

Ramsdens Directors

Bidco has received irrevocable undertakings from those Ramsdens Directors who are interested in Ramsdens Shares to vote (or, where applicable, procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of their and (where relevant) their close relatives' aggregate beneficial holdings of 1,335,860 Ramsdens Shares, representing approximately 4.13% of Ramsdens' issued share capital as at the close of business on the Latest Practicable Date.

Further details of these irrevocable undertakings (including the circumstances in which they may lapse) are set out in Appendix D to this announcement.

- Jewellery retail continues to scale, with revenue up 26% to £26.1m (HY25: £20.7m) and gross profit up 31% to £10.4m (HY25: £7.9m);
- Pawnbroking gross profit increased 18% to £7.3m (HY25: £6.2m), underpinned by disciplined lending and a growing loan book; and
- Foreign currency gross profit declined 9% to £4.6m (HY25: £5.1m), reflecting the shift to lower-margin channels, despite stable volumes.

Ramsdens has benefited from elevated gold prices that have continued to drive demand for gold buying, supported by targeted marketing and improved in-store execution. Furthermore, demand for pawnbroking loans has remained robust with record lending levels achieved in each month of FY26 to date. Ramsdens has also seen continued momentum in its retail jewellery business in H2 of FY26 to date with margins remaining resilient despite the increased gold price.

The Ramsdens Board is conscious that the gold price is volatile, especially given the current geopolitical and economic climate remaining uncertain. Notwithstanding this uncertainty, in the interim results, the Ramsdens Board provided a further upgrade to estimates for the financial year ending 30 September 2026:

“Resulting from the continued strong performance across our diversified income streams and the additional benefit of the sustained high gold price, the Board currently anticipates that profit before tax for FY26 is expected to be in a range of £30m to £33m, ahead of current market expectations”.

In accordance with Rule 28.1 of the Code, the Ramsdens Directors confirm that this forecast for the year ending 30 September 2026 remains valid. The Ramsdens Directors also confirm that this forecast has been properly compiled on the basis of the assumptions set out in Appendix C to this announcement and that the basis of accounting used is consistent with the Ramsdens Group’s accounting policies.

9 FirstCash's and Bidco's intentions in relation to Ramsdens

FirstCash's and Bidco's strategic plans for Ramsdens

FirstCash and Bidco believe that the acquisition of Ramsdens represents a highly complementary strategic fit which will grow FirstCash's position in the UK and further diversify its earnings profile beyond the US and Latin America.

Whilst FirstCash and Ramsdens both operate within the UK, there is limited overlap between the respective store networks, with FirstCash's stores having greater representation in Southern England, in contrast with Ramsdens' stores which have a stronger presence across Northern England and Scotland. FirstCash does not currently envisage closing many, if indeed any Ramsdens stores, including in towns where they both currently have a store. FirstCash believes that combining with Ramsdens will help accelerate the growth of both businesses over and above their current standalone growth ambitions and further enhance the provision of transparent and accessible financial services tailored to customers who may have limited access to traditional banking products.

The complementary nature of the combination of FirstCash's and Ramsdens' businesses is expected, over time, to lead to the integration of certain back and middle office systems and functions. FirstCash intends to conduct an internal review, as soon as practicable following completion of the Acquisition, to determine the optimal operating structure of the combined business, with the objective of leveraging the most effective operational and technology capabilities across the combined platform. No definitive decisions have been made as to which systems will be retained.

Employees and executive team

FirstCash and Bidco recognise the importance of Ramsdens' employees and management team and the important role they will play in the continued success of the combined business. FirstCash and Bidco believe that Ramsdens' employees would benefit from being part of a larger international organisation with expanded career development opportunities and a shared focus on delivering high-quality customer service and operational excellence.

The preliminary integration and synergy analysis undertaken by FirstCash to date has identified the potential for certain cost synergies. FirstCash and Bidco expect to work with Ramsdens prior to completion of the Acquisition to undertake a detailed review of integration opportunities. Based on their review to date, FirstCash and Bidco expect that, in order to achieve the expected benefits of the Acquisition, there will be a reduction in certain roles associated with Ramsdens ceasing to operate as a publicly quoted company, as well as a result of overlapping central functions. This would not, however, result in a material reduction of Ramsdens' overall employee base.

Any workforce changes would be subject to comprehensive planning and any required information and consultation with any affected employees and/or their representatives in accordance with applicable law.

It is intended that, with effect from the Effective Date, the non-executive directors of Ramsdens shall resign from their office.

Existing employment rights and pensions

FirstCash and Bidco confirm that, following the Effective Date, the existing contractual and statutory employment rights, including in relation to pensions, of all Ramsdens employees will be fully safeguarded in accordance with applicable law. FirstCash and Bidco do not intend to make any material change to the conditions of employment or to the balance of skills and functions of the management and employees of Ramsdens. Ramsdens does not operate or contribute to any defined benefit pension schemes.

Management incentive arrangements

FirstCash and Bidco have not entered into, and have not had any discussions on proposals to enter into, any form of incentive arrangements with members of Ramsdens' management.

Headquarters and headquarter functions, locations, fixed assets and distribution centres and research and development

FirstCash does not intend to make any material changes to Ramsdens' fixed assets or asset base. Following completion of the Acquisition, FirstCash and Bidco may identify areas of the estate where investment can be increased or prioritised from an investment perspective. FirstCash and Bidco do not intend to make any changes to Ramsdens' headquarters or headquarter functions or places of business. Ramsdens does not have any material research and development functions and accordingly FirstCash has no plans in this regard.

Trading Facilities

Ramsdens is currently admitted to trading on AIM. As set out in paragraph 15, before the Effective Date an application will be made to the London Stock Exchange for the cancellation of the admission to trading of Ramsdens Shares on AIM to take effect on the Business Day following the Effective Date. Trading in Ramsdens Shares is expected to end at the close of business on the Business Day before the Effective Date. It is also intended that, following the Effective Date, Ramsdens will be re-registered as a private limited company under the relevant provisions of the Companies Act.

Regulations and compliance

FirstCash and Bidco recognise the importance of maintaining the highest standards of conduct and integrity in the provision of financial services in the United Kingdom. They also recognise the importance of the regulatory and commercial environment in which the Ramsdens Group operates, particularly with respect to the FCA's Consumer Duty regulations.

Following completion of the Acquisition, FirstCash and Bidco intend to uphold the Ramsdens Group's existing focus on delivering good outcomes for customers in line with the FCA's Consumer Duty regulations. Furthermore, FirstCash and Bidco confirm their intention that, following completion of the Acquisition, the Ramsdens Group will continue to operate within the applicable regulatory and corporate governance frameworks of the United Kingdom. This includes continued adherence to the rules and guidance of the FCA and other relevant regulatory bodies, and the maintenance of an open and co-operative relationship with each regulatory body.

FirstCash and Bidco are also committed to ensuring that the Ramsdens Group continues to operate in a manner consistent with the principles of fair treatment, transparency, and high standards of customer care. As part of this, FirstCash and Bidco intend to support the Ramsdens Group in maintaining robust systems and controls designed to ensure that customers' needs are identified, understood, and addressed across the full product and service lifecycle. FirstCash and Bidco also recognise the importance of broader stakeholder interests, including employees, suppliers, regulators, and the communities in which the Ramsdens Group operates. In this context, FirstCash and Bidco intend to engage constructively with these stakeholders where needed and to support the Ramsdens Group in continuing to uphold its responsibilities as a responsible and sustainable business.

Rule 19.5 of the Code

No statement in this paragraph 9 constitutes a post-offer undertaking for the purposes of Rule 19.5 of the Code.

10 Financing

FirstCash Credit Facility

FirstCash currently envisages drawing down funds under its US revolving unsecured credit facility (as may be amended, restated, varied or replaced from time to time) (the "**FirstCash Credit Facility**") prior to the Effective Date to permit Bidco to finance the Acquisition and to pay related fees and expenses, including potential repayment of Ramsdens' outstanding indebtedness.

Although FirstCash currently envisages utilising borrowings under the FirstCash Credit Facility for the purposes of the Acquisition, there can be no guarantee that such borrowings will be available at the Effective Date. In the event that such borrowings are not available at the Effective Date for the purposes of financing the Acquisition, Bidco may be required to utilise borrowings under the Bridge Credit Agreement (described and defined below), or another financing alternative.

Bridge Credit Agreement

In connection with the Acquisition, Bidco, FirstCash and FirstCash, Inc. entered into a bridge term loan credit agreement dated 23 June 2026 (the "**Bridge Credit Agreement**") with Jefferies Finance LLC (as administrative agent), the other guarantors party thereto and the lenders party thereto, pursuant to which the lenders agreed to provide Bidco with certain borrowings in an aggregate amount of up to £212 million on the terms and conditions set out in the Bridge Credit Agreement. The Bridge Credit Agreement provides a backstop for the financing of the Acquisition and satisfies the "certain funds" requirements under the Code.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

Cash Confirmation Statement

Jefferies, in its capacity as financial adviser to Bidco, confirms that it is satisfied that sufficient resources are available to Bidco to satisfy in full the Cash Consideration payable by Bidco to Ramsdens Shareholders under the terms of the Acquisition.

11 Dividends

Under the terms of the Acquisition, each Ramsdens Shareholder will be entitled to receive a total value of up to 609 pence in cash (the "**Offer Value**") comprising:

- 600 pence per Ramsdens Share in cash from Bidco (the "**Cash Consideration**"); and
- permitted dividends of up to 9 pence per Ramsdens Share as a consequence of the declaration of the interim dividend of 6 pence per Ramsdens Share and the special dividend of 3 pence per Ramsdens Share (together the "**Permitted Dividends**") on 3 June 2026, expected to be paid on 9 October 2026.

If the Acquisition becomes Effective before some or all of the Permitted Dividends are paid, the Cash Consideration shall be increased by the same amount of the Permitted Dividends that has not been paid. Any Permitted Dividend not paid prior to the Effective Date will be cancelled.

If, on or after the date of this announcement and prior to the Effective Date, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable in respect of Ramsdens Shares (other than the Permitted Dividends), or if the Permitted Dividends exceed, in aggregate, 9 pence per Ramsdens Share, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition by an amount per Ramsdens Share up to the amount of such dividend and/or distribution and/or return of capital or value. In such circumstances, Ramsdens Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made or paid.

To the extent that any such dividend and/or distribution (other than the Permitted Dividends) and/or other return of capital or value is announced, declared, made or paid or is payable and it is: (i) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend or distribution and to retain it; or (ii) cancelled, the consideration payable under the terms of the Acquisition will not be subject to change in accordance with this paragraph.

Any reduction by Bidco of the consideration payable under the terms of the Acquisition in the manner referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.

12 Ramsdens Share Schemes

Participants in the Ramsdens Share Schemes will be contacted regarding the effect of the Acquisition on their rights and appropriate proposals will be made to such participants in due course. It is expected that details of these proposals will be set out in the Scheme Document.

13 Offer-related arrangements

Confidentiality Agreement

FirstCash and Ramsdens have entered into a confidentiality agreement dated 19 May 2026, pursuant to which FirstCash has undertaken, amongst other things, to: (i) keep confidential information relating to the Acquisition and Ramsdens and not to disclose it to third parties (other than certain permitted parties) unless required by law or regulation; and (ii) use the confidential information only for the purpose of evaluating, developing, negotiating, financing and proceeding with the potential Acquisition.

The Confidentiality Agreement contains customary provisions relating to restrictions on share dealings and non-solicitation provisions.

The Confidentiality Agreement will continue in force until the earlier of: (i) completion of the Acquisition; and (ii) two years after the date of the Confidentiality Agreement.

Clean Team Agreement

FirstCash and Ramsdens have entered into a clean team agreement dated 3 June 2026, which sets out how any confidential information relating to FirstCash or Ramsdens that is competitively sensitive can be disclosed, used or shared for the purposes of due diligence, integration planning and/or regulatory analysis and any associated clearance processes by Ramsdens or FirstCash respectively. Such competitively sensitive information must only be shared with certain individuals or parties identified in the Clean Team Agreement, and those identified individuals or parties must keep that information confidential and secure, and ensure it is used only in connection with the assessment and negotiation of the Acquisition by FirstCash or Ramsdens (as appropriate). In the event that discussions between the parties concerning the Acquisition terminate, the obligations under the Clean Team Agreement shall continue in force until the date that is two years from the date of the Confidentiality Agreement.

Cooperation Agreement

Bidco and Ramsdens have entered into a cooperation agreement dated 23 June 2026, pursuant to which, among other things, Bidco and Ramsdens have each agreed to certain undertakings to co-operate and provide each other with reasonable information, assistance and access in relation to any filings, submissions and notifications to be made in relation to regulatory clearances and authorisations.

The Cooperation Agreement records the parties' intentions to implement the Acquisition by way of the Scheme, subject to the ability of Bidco to implement the Acquisition by way of a Takeover Offer in certain circumstances set out in the Cooperation Agreement and with the consent of the Panel.

The Cooperation Agreement will be capable of termination by either party in certain circumstances, including if the Acquisition does not become Effective by the Long-Stop Date, a competing transaction completes, becomes effective or is declared or becomes unconditional, the recommendation of the Ramsdens Directors changes, or if the Acquisition is, with the permission of the Panel, withdrawn, terminated, or lapses in accordance with its terms prior to the Long-Stop Date.

Pursuant to the terms of the Cooperation Agreement, Bidco has undertaken that it will deliver a notice in writing to Ramsdens no later than 7.30 a.m. on the date of to the Court Sanction Hearing confirming either: (i) the satisfaction or waiver of all Conditions (other than Condition 2.3); or (ii) if permitted by the Panel, that it intends to invoke a Condition.

The Cooperation Agreement also contains provisions that will apply in respect of the Ramsdens Share Schemes and certain other employee incentive arrangements.

14 Structure of and conditions to the Acquisition

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement between Ramsdens and the Scheme Shareholders under Part 26 of the Companies Act. The procedure involves, among other things, an application by Ramsdens to the Court to sanction the Scheme.

The purpose of the Scheme is to provide for Bidco to become the owner of the entire issued and to be issued share capital of Ramsdens.

This is to be achieved by the transfer of Ramsdens Shares to Bidco, in consideration for which Ramsdens Shareholders will receive the Cash Consideration on the basis set out in paragraph 2 of this announcement. The transfer to Bidco of the Ramsdens Shares pursuant to the Scheme is intended to result in Ramsdens becoming a wholly-owned subsidiary of Bidco.

Conditions to the Acquisition

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix A to this announcement and to be set out in the Scheme Document when issued. In particular, the Scheme will become Effective only if, among other things, the following events occur on or before 11.59 pm (London time) on the Long-Stop Date:

- (a) the approval of the Scheme by a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, representing not less than 75% of the Scheme Shares validly voted by such Scheme Shareholders at the Court Meeting;
- (b) the Resolutions are passed by the requisite majority of Ramsdens Shareholders at the General Meeting;
- (c) the FCA Change in Control Condition is satisfied;
- (d) the CMA Condition is satisfied;
- (e) the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by Bidco and Ramsdens); and
- (f) following the sanction by the Court, a copy of the Scheme Court Order is delivered to the Registrar of Companies.

Additionally, the Scheme will lapse if, amongst other things:

- (a) the Court Meeting and/or General Meeting are not held on or before the 22nd day after the expected date of such meetings, which will be set out in the Scheme Document in due course (or such later date, if any: (i) as Bidco and Ramsdens may agree; or (ii) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow);
- (b) the Court Sanction Hearing is not held on or before the 22nd day after the expected date of such hearing, which will be set out in the Scheme Document in due course (or such later date, if any: (i) as Bidco and Ramsdens may agree; or (ii) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow); or
- (c) the Scheme does not become Effective on or before 11.59 pm (London time) on the Long-Stop Date.

Bidco may invoke a Condition so as to cause the Acquisition not to proceed, lapse or to be withdrawn only with the consent of the Panel. Certain Conditions are not subject to this requirement. The Panel will normally give its consent only if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise. Further details are set out in Part B of Appendix A to this announcement.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Ramsdens Shares will cease to be valid and entitlements to Ramsdens Shares held within the CREST system will be cancelled. In accordance with the applicable provisions of the Code, the consideration for the transfer of the Scheme Shares to Bidco will be despatched within 14 days of the Effective Date.

Any Ramsdens Shares (other than any Excluded Shares) issued before the Scheme Record Time which remain in issue at the Scheme Record Time will be subject to the terms of the Scheme. The Resolutions to be proposed at the General Meeting will, amongst other things, provide that Ramsdens' articles of association be amended to incorporate provisions requiring, among other things and subject to the Scheme becoming Effective, any Ramsdens Shares issued or transferred after the Scheme Record Time (other than to Bidco and/or its nominees) to be automatically transferred to Bidco (or as Bidco may direct) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of Ramsdens' articles of association (as amended) will avoid any person (other than Bidco, its nominees and any person to whom Bidco may direct the transfer of Ramsdens Shares after the Effective Date) holding and retaining Ramsdens Shares after the Effective Date.

If the Scheme does not become Effective on or before 11.59 pm (London time) on the Long-Stop Date, it will lapse and the Acquisition will not proceed (unless Bidco and Ramsdens otherwise agree and the Panel otherwise consents).

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Acquisition and will specify the necessary actions to be taken by Ramsdens Shareholders. It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be sent to Ramsdens Shareholders and (for information only) participants in the Ramsdens Share Schemes within 28 days of this announcement (or such later time as Ramsdens, Bidco and the Panel agree).

The Acquisition is expected to become Effective in the second half of 2026, subject to the satisfaction or (where applicable) waiver of the Conditions. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.

15 Delisting and re-registration

It is intended that an application will be made to the London Stock Exchange for the cancellation of trading of the Ramsdens Shares on AIM, with effect on the Business Day following the Effective Date.

The last day for dealings in Ramsdens Shares on AIM is expected to be the last Business Day immediately prior to the Effective Date and no transfers shall be registered after 6.00 pm (London time) on that date. It is also intended that, following the Effective Date, Ramsdens will be re-registered as a private limited company under the relevant provisions of the Companies Act.

16 Disclosure of interests in Ramsdens relevant securities

Except for the irrevocable undertakings referred to in paragraph 6 above, as at close of business on the Latest Practicable Date, neither Bidco, nor any of the directors of Bidco, nor, so far as the directors of Bidco are aware, any person acting in concert with Bidco for the purposes of the Acquisition had any interest in, right to subscribe for, or had borrowed or lent any Ramsdens Shares or securities convertible or exchangeable into Ramsdens Shares, nor did any such person have any short position (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to take delivery, or any dealing arrangement of the kind referred to in Note 11 of the definition of acting in concert in the Code, in relation to Ramsdens Shares or in relation to any securities convertible or exchangeable into Ramsdens Shares.

In the interests of secrecy, Bidco has not made enquiries before the date of this announcement in respect of the matters referred to above of certain parties who may be deemed or presumed by the Panel to be acting in concert with Bidco for the purposes of the Acquisition. Enquiries of such parties will be made as soon as possible following the date of this announcement and Bidco confirms that, if and to the extent that any further disclosure is required, it will make such disclosure in accordance with Rule 8.1(a) of the Code as soon as possible and in any event by no later than the deadline stipulated by Note 2(a)(i) on Rule 8 of the Code.

The availability of the Acquisition and the distribution of this announcement to Ramsdens Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Ramsdens Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

19 General

Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent and the terms of the Cooperation Agreement). In such event, the Takeover Offer will be implemented on the same terms, so far as applicable, and subject to the terms of the Cooperation Agreement, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in the method of effecting the Acquisition (including, without limitation: (i) the inclusion of an acceptance condition set at 75% of the Ramsdens Shares to which such Takeover Offer relates (or such other percentage as Bidco may, subject to the rules of the Code and the terms of the Cooperation Agreement and with the consent of the Panel, decide, being in any case more than 50% of the Ramsdens Shares); and (ii) those required by, or deemed appropriate by, Bidco under applicable law, including US securities law). Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Ramsdens Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to acquire compulsorily any outstanding Ramsdens Shares to which such offer relates.

The Scheme will be governed by English law and will be subject to the jurisdiction of the courts of England and Wales. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the AIM Rules and the FCA.

Each of Jefferies and Cavendish has given and not withdrawn its consent to the inclusion in this announcement of references to its name in the form and context in which it appears.

The Acquisition will be subject to the Conditions and certain further terms set out herein and in Appendix A to this announcement and to the full terms and conditions which will be set out in the Scheme Document. Appendix B to this announcement contains the sources and bases of certain information contained in this announcement. Appendix D to this announcement contains details of irrevocable undertakings received by Bidco. Appendix E contains the definitions of certain terms used in this announcement.

It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be sent to Ramsdens Shareholders and (for information only) participants in the Ramsdens Share Schemes within 28 days of this announcement (or such later time as Ramsdens, Bidco and the Panel agree).

The person responsible for arranging the release of this announcement on behalf of Bidco is R. Douglas Orr.

Further details in relation to Overseas Shareholders will be contained in the Scheme Document.

The Acquisition shall be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules.

Additional information for US investors

The Acquisition is being made to acquire the shares of an English company by means of a scheme of arrangement provided for under English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this announcement and the Scheme documentation has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, such offer will be made in compliance with applicable US laws and regulations.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Ramsdens Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each Ramsdens Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (to the extent applicable), Bidco, its nominees or its brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Ramsdens Shares outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside of the US and would be in accordance with applicable law, including the US Exchange Act and the Code. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Forward-looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by FirstCash, Bidco and Ramsdens contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of FirstCash, Bidco and Ramsdens about future events, and are, therefore, subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on FirstCash, Bidco and Ramsdens, the expected timing and scope of the Acquisition, the expected benefits of the Acquisition to FirstCash, Bidco and Ramsdens and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "scheduled", "estimates", "forecasts", "intends", "goal", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Although FirstCash, Bidco and Ramsdens believe that the expectations reflected in such forward-looking statements are reasonable, FirstCash, Bidco and Ramsdens can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. Among the factors that could cause actual results to differ materially from those described in the forward-looking statements are the ability to satisfy the Conditions, including approval of the Acquisition by Ramsdens Shareholders and receipt of required regulatory approvals, the ability to realise the anticipated benefits from the Acquisition, changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or dispositions, and any epidemic, pandemic or disease outbreak. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should, therefore, be construed in the light of such factors. Neither FirstCash, Bidco nor Ramsdens, nor any of their respective associates or directors, members, managers, partners, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements. The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to FirstCash, Bidco or any member of the Wider Bidco Group or the Ramsdens Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above. Other than in accordance with their legal or regulatory obligations, neither FirstCash, Bidco nor Ramsdens is under any obligation, and FirstCash, Bidco and Ramsdens expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing disclosure requirements

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Other than in respect of the Profit Forecast, no statement in this announcement is intended as a profit forecast, profit estimate or quantified financial benefits statement for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for FirstCash, Bidco or Ramsdens, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for FirstCash, Bidco or Ramsdens, as appropriate.

For the purposes of Rule 28 of the Code, the Profit Forecast contained in this announcement is the responsibility of Ramsdens and the Ramsdens Directors.

General

Bidco reserves the right to elect, with the consent of the Panel and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. If the Acquisition is effected by way of a Takeover Offer, and such offer becomes or is declared unconditional and sufficient acceptances are received, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining Ramsdens Shares in respect of which the Takeover Offer has not been accepted.

Investors should be aware that Bidco may purchase Ramsdens Shares otherwise than under any Takeover Offer or the Scheme, including pursuant to privately negotiated purchases.

If you are in any doubt about the contents of this announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor or independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom or, if not, from another appropriate authorised independent financial adviser.

 - 4.2 in the event that the CMA decides to commence a Phase 1 Investigation in relation to the Acquisition, the CMA issuing a decision that the Acquisition (including any matter arising therefrom or related thereto or any part of it) shall not be subject to a Phase 2 Reference, such decision being either unconditional or conditional on the CMA's acceptance of undertakings in lieu under section 73 of the EA (or the applicable time period for the CMA to issue a decision having expired without it having done so and without it having made a Phase 2 Reference);

Part B - Certain further terms of the Acquisition

- 1 Subject to the requirements of the Panel and the Code, Bidco reserves the right in its sole discretion to waive:
- 1.1 the deadline set out in Condition 1 in Part A of this Appendix A, and any of the deadlines set out in Condition 2 in Part A of this Appendix A for the timing of the Court Meeting, the General Meeting and the Court Sanction Hearing. If any such deadline is not met, Bidco will make an announcement by 8.00 am on the Business Day following such deadline, confirming whether it has invoked or waived the relevant Condition or agreed with Ramsdens (or, as the case may be, the Panel) to extend the deadline in relation to the relevant Condition in accordance with the terms on which such deadline may be extended. In all other respects, Conditions 1 and 2 in Part A of this Appendix A cannot be waived; and
- 1.2 in whole or in part, all or any of Conditions 3 to 13 (inclusive) in Part A of this Appendix A.
- 2 Bidco shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied or fulfilled any of the Conditions that it is entitled (with the consent of the Panel and subject to the requirements of the Code) to invoke by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
- 3 Under Rule 13.5(a) of the Code and subject to the remaining provision of this paragraph 3, Bidco may invoke a Condition that is subject to Rule 13.5(a) of the Code so as to cause the Acquisition not to proceed, to lapse or to be withdrawn only with the consent of the Panel. The Panel will normally give its consent only if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise. Conditions 1 and 2 in Part A of this Appendix A and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to this provision of the Code.
- 4 Any Condition that is subject to Rule 13.5(a) of the Code may be waived by Bidco.
- 5 If the Panel requires Bidco to make an offer or offers for any Ramsdens Shares under the provisions of Rule 9 of the Code, Bidco may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
- 6 Ramsdens Shares will be acquired by Bidco fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and other third party rights of any nature whatsoever and together with all rights attaching to them as at the date of this announcement or subsequently attaching or accruing to them, including the right to receive and retain, in full, all dividends and other distributions (if any) declared, made, paid or payable, or any other return of capital or value made, on or after the Effective Date.
- 7 If the Acquisition becomes Effective before some or all of the Permitted Dividends are paid, the Cash Consideration shall be increased by the same amount of the Permitted Dividends that has not been paid. Any Permitted Dividend not paid prior to the Effective Date will be cancelled.

- 8 If, on or after the date of this announcement and prior to the Effective Date, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable in respect of Ramsdens Shares (other than the Permitted Dividends), or if the Permitted Dividends are paid and exceed, in aggregate, 9 pence per Ramsdens Share, Bidco reserves the right to reduce the consideration payable under the terms of the Acquisition by an amount per Ramsdens Share up to the amount of such dividend and/or distribution and/or return of capital or value (or, in the case of any Permitted Dividend that exceeds 9 pence per Ramsdens Share, by the amount in excess of 9 pence per Ramsdens Share). In such circumstances, Ramsdens Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made or paid. Where the consideration payable is so reduced, any reference in this announcement or in the Scheme Document to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. To the extent that any such dividend and/or distribution (other than the Permitted Dividends) and/or other return of capital or value is announced, declared, made or paid or is payable and it is: (i) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend or distribution and to retain it; or (ii) cancelled, the consideration payable under the terms of the Acquisition will not be subject to change in accordance with this paragraph. Any reduction by Bidco of the consideration payable under the terms of the Acquisition in the manner referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
- 9 Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent and the terms of the Cooperation Agreement). In such event, the Takeover Offer will be implemented on the same terms, so far as applicable, and subject to the terms of the Cooperation Agreement, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in the method of effecting the Acquisition (including, without limitation: (i) the inclusion of an acceptance condition set at 75% of the Ramsdens Shares to which such Takeover Offer relates (or such other percentage as Bidco may, subject to the rules of the Code and the terms of the Cooperation Agreement and with the consent of the Panel, decide, being in any case more than 50% of the Ramsdens Shares); and (ii) those required by, or deemed appropriate by, Bidco under applicable law, including US securities law). Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Ramsdens Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to acquire compulsorily any outstanding Ramsdens Shares to which such offer relates.
- 10 The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction. Any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
- 11 Unless otherwise determined by Bidco or required by the Code and permitted by applicable law and regulations, the Acquisition is not being, and will not be, made, directly or indirectly, in, into or by the use of the mail of, or by any other means or instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.
- 12 The Scheme will be subject to the fulfilment (or waiver, if permitted) of the Conditions set out in Part A of this Appendix A, to the further terms set out in this Part B of this Appendix A, to the full terms and conditions which will be set out in the Scheme Document, and to such further terms as may be required to comply with the provisions of the Code.
- 13 Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
- 14 The Scheme will not become effective unless the Conditions have been fulfilled or (to the extent capable of waiver) waived or, where appropriate, have been determined by Bidco to be or remain satisfied by no later than the Long-Stop Date.
- 15 This announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme and any proxies will be governed by English law and be subject to the jurisdiction of the courts of England and Wales. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the AIM Rules, the FCA and the Registrar of Companies.

FirstCash to Acquire Ramsdens, a Leading Pawn, Retail and Financial Services Operator in the United Kingdom

*Expands presence in the U.K. market through the addition of 174 pawn locations with strong brand;
Further enhances FirstCash's global leadership positioning and long-term growth platform;
Expected to be accretive to EBITDA and EPS*

Fort Worth, Texas (June 23, 2026) -- FirstCash Holdings, Inc. ("FirstCash" or the "Company") (Nasdaq: FCFS), the leading international operator of more than 3,300 retail pawn stores, today announced that it has reached agreement on the terms of a recommended cash acquisition of Ramsdens Holdings plc ("Ramsdens"), a leading operator of pawn stores in the United Kingdom. Under the terms of the agreement, FirstCash (through its wholly-owned U.K. subsidiary, Chess Bidco Limited) will pay cash consideration of 600 pence for each share of Ramsdens stock. In addition, Ramsdens shareholders will receive an interim cash dividend of up to 9 pence for each Ramsdens share to be paid on October 9, 2026. The total equity value, including cash consideration for the shares and the interim cash dividend, is approximately £206 million or \$273 million USD based on the exchange rate as of the close of business on June 22, 2026.

The acquisition of Ramsdens, which operates 174 pawn locations across England, Scotland and Wales, expands FirstCash's geographic footprint in the U.K. and provides enhanced scale, operating efficiencies and long-term growth opportunities in the market. This combination further builds FirstCash as the largest publicly traded pawn platform in the United States, Latin America and the United Kingdom and is expected to drive further long-term revenue and earnings growth.

Mr. Rick Wessel, Chief Executive Officer and Vice-Chairman of the Board of FirstCash, commented, "We are excited to add Ramsdens as part of the global FirstCash family. Ramsdens is a well-respected operator with a proven track record of operating successfully in the U.K. pawn market. This transaction will not only provide immediate revenue and earnings accretion to FirstCash upon closing, but also enhances our long-term growth profile through continued expansion of its industry-leading brands and platform. FirstCash looks forward to working together with the Ramsdens team to drive further long-term value for all of our customers, employees and shareholders."

Mr. Peter Keynon, Chief Executive Officer of Ramsdens, commented, "I am exceptionally proud of Ramsdens' transformational growth since our IPO in 2017. FirstCash is an internationally established sector leader, and I share their confidence and conviction in the outlook for Ramsdens, which is underpinned by our diversified model and established reputation for consistently doing the right thing for our customers and our fantastic people."

Compelling Strategic and Financial Benefits

- **Strengthens FirstCash's position as a leading pawnbroking operator in the U.K.:** Ramsdens represents a highly complementary strategic fit alongside FirstCash's existing U.K. operations following the acquisition of H&T, creating a scaled U.K. platform with a combined network of almost 470 stores with limited location overlap between the existing footprints of H&T and Ramsdens.
 - **Unlocks Further Growth and Revenue Synergies for Ramsdens:** The Ramsdens platform is expected to benefit from the additional growth capital provided by FirstCash which should support increased pawn lending activities and resulting revenue growth in the existing Ramsdens stores while providing further opportunities for additional geographic expansion in the U.K.
-

- **Enhances Scale and Operating Leverage:** The addition of the 174 Ramsdens stores increases FirstCash’s scale, operational footprint and ability to leverage efficiencies in the U.K. and across its global platform. Upon closing, FirstCash expects to have over 3,500 pawn locations worldwide.
- **Financially Compelling:** The transaction is expected to drive further revenue growth and be accretive to both EBITDA and EPS, strengthening FirstCash’s financial profile and long-term shareholder value.

Further Information; No Offer or Solicitation

This release is for information purposes and is not intended to and does not constitute, or form part of, an offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, or the solicitation of any vote or approval in any jurisdiction, pursuant to the all-cash offer by Chess Bidco Limited (“Bidco”), an indirect wholly-owned subsidiary of FirstCash Holdings, Inc. (the “Company”), for the entire issued and to be issued share capital of Ramsdens, a company incorporated in England and Wales (“Ramsdens”) (such acquisition, the “Acquisition”), or otherwise, nor shall there be any sale, issuance or transfer of securities of Ramsdens in any jurisdiction in contravention of applicable law. The Acquisition will be made solely by means of a court-sanctioned scheme of arrangement (the “Scheme”) under Part 26 of the United Kingdom Companies Act 2006, as amended (the “U.K. Companies Act”) (or, if the Acquisition is implemented by way of a takeover offer, as such term is defined in the U.K. Companies Act (the “Takeover Offer”), the offer document), which will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Scheme. Any vote in respect of the Scheme or other response in relation to the Acquisition should be made only on the basis of the information contained in the Scheme document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document). Ramsdens shareholders are urged to read the Scheme document when it becomes available, because it will contain important information relating to the Acquisition.

Additional Information

The Acquisition is being made to acquire the shares of an English company by means of a scheme of arrangement provided for under English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Securities Exchange Act of 1934, as amended (“U.S. Exchange Act”). Accordingly, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the U.S. tender offer and proxy solicitation rules. The financial information included in this release and the Scheme documentation has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the U.S. If Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, such offer will be made in compliance with applicable U.S. laws and regulations.

The receipt of cash pursuant to the Acquisition by a U.S. holder as consideration for the transfer of its Ramsdens shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each Ramsdens shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act (to the extent applicable), Bidco, its nominees or its brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Ramsdens shares outside of the U.S., other than pursuant to the Acquisition, until the date on which the Acquisition becomes effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside of the U.S. and would be in accordance with applicable law, including the U.S. Exchange Act and the United Kingdom City Code on Takeovers and Mergers (the “Code”). These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Additional risks and uncertainties with respect to the Company are discussed and described in the Company’s most recent Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission (the “SEC”), including the risks described in Part 1, Item 1A, “Risk Factors” thereof, and other reports filed with the SEC. Many of these risks and uncertainties are beyond the ability of the Company to control, nor can the Company predict, in many cases, all of the risks and uncertainties that could cause its actual results to differ materially from those indicated by the forward-looking statements. The forward-looking statements contained in this release speak only as of the date of this release, and the Company expressly disclaims any obligation or undertaking to report any updates or revisions to any such statement to reflect any change in the Company’s expectations or any change in events, conditions or circumstances on which any such statement is based, except as required by law.
