

**FirstCash Upsizes and Extends Term of Unsecured Bank Credit Facility;
Size of Committed Facility Increased from \$700 Million to \$1.1 Billion;
Maturity Date Extended to August 2031**

Fort Worth, Texas (August 31, 2026) -- FirstCash Holdings, Inc. ("FirstCash" or the "Company") (Nasdaq: FCFS), the leading international operator of more than 3,300 retail pawn stores, today announced that it has amended the terms of its long-term, unsecured bank credit agreement to increase the size of the facility, extend its maturity date and enhance other key features, all to further support FirstCash's long-term global growth strategy.

With this amendment and extension, the size of the revolving unsecured credit facility has been increased from \$700 million to \$1.055 billion, while the maturity date of the facility was extended from August 2029 to August 2031. The amendment provides for an increased permitted net leverage ratio of up to 3.5 times consolidated EBITDA for the full term of the agreement. The amended agreement also reduces the unused fee under the facility and provides for direct borrowings in British pounds sterling of up to a \$500 million USD equivalent.

Mr. Rick Wessel, chief executive officer, stated, "The additional capacity and extension of the credit facility provide us with five years of significant long-term committed capital to further support our continued growth and expansion in both the U.S. and internationally. In particular, this amendment facilitates the funding of the expected Ramsdens pawn acquisition in the U.K., which has been approved by Ramsdens' shareholders and is pending final regulatory approval, along with other acquisitions currently in our pipeline.

"The upsizing of this facility includes the addition of two new banks to the syndicate and reflects the continued confidence of our existing bank partners, most of which significantly increased their commitments, supported by FirstCash's strong cash flow generation, disciplined capital allocation and long-term growth prospects. The increased capacity provides us with enhanced liquidity and flexibility to execute on all of our strategic priorities, including accretive acquisitions and ongoing shareholder payouts through cash dividends and share repurchases. We would like to thank all of our commercial bank partners for their partnership with FirstCash and their confidence in our strategic growth plans," concluded Mr. Wessel.
